

PROFESSIONAL SUMMARY

Strategic Monitoring & Evaluation and Data Management professional with over 10 years of experience in the NGO and public health sector (USAID/ Global Fund/ PEPFAR). Expert in enhancing data quality, developing and maintaining dashboards for strategic decision-making, optimizing logistics and procurement operations for multimillion-rand programmes. Proven ability to lead teams, manage complex stakeholder relationships and deliver actionable insights to drive improved programme outcomes.

CORE COMPETENCIES:

- **Monitoring & Evaluations:** Data Collection | Quality Assurance (DQA) | Reporting | Performance Metrics(KPI) | SOP Compliance.
- **Data Analysis & Visualization:** Power BI | Advanced Excel (Pivot Tables, Dashboards) | Database Management | KPIs.
- **Logistics Management:** Fleet Management | Procurement | Supply Chain | Inventory Control | Vendor Management.
- **Programme Support:** USAID/PEPFAR/Global Fund Compliance | Stakeholder Engagement | Capacity Building | Training.
- **Software & Tools:** Linux | MS Office Suite | Power BI | Google Workspace | Adobe (Illustrator & Photoshop) | CorelDraw.
- **AI Tools:** ChatGPT | Claude AI | Deepseek | Grok | MS Copilot | NotebookLLM | Perplexity. **Text Editors:** VS Code | Cursor.
- **Languages:** Proficient in 9 South African Languages | **Professional Driver** with PDP License.

PROFESSIONAL EXPERIENCE

Data Officer | NACOSA (USAID - GBV Response) | 01/06/2024 to 31/03/2025

Tasked with reviewing and verifying reported information and pro-actively take part in efforts to improve data quality. This position required regular interactions and travelling to site-based offices to perform verification activities.

- Spearheaded data quality initiatives for GBV Response, a USAID-funded programme, importing and processing raw data via the Orbit system to identify and resolve integrity issues, improving overall dataset reliability.
- Conducted comprehensive on-site and virtual data verification, across-referencing reports against source documents to ensure 100% accuracy for donor reporting.
- Managed and distributed dynamic Power BI dashboards to provincial teams, enhancing data visibility and reducing manual reporting time by 40%.
- Streamlined data collection by implementing digital tools (MS Forms, MS Loops, Google Forms) cutting paper usage by 95% and accelerating remote data capture. Designed data collection tools (Forms, Registers) and implemented version control.
- Provided technical support and capacity building to GBV Response on-boarding staff, sub-awardee M&E teams data quality assessments using Orbit and Power BI.

Data Quality Officer | MIET Africa (Global Fund - AYP) | 19/03/2024 to 30/05/2024

Joined Miet Africa as a Mobile Clinic Van Operator in November 2022 and then took on the Data Quality Officer role in March 2024. Tasked with managing the team of Data Captures.

- Led and supervised a team of 15 (12 Data Captures and 3 Linkage Officers) to achieve operational targets and ensure data accuracy across Key and Vulnerable Populations (KVAP), Health Care Framework (HCF) and MyHope platforms.
- Implemented rigorous data validation processes, reducing capture errors by over 25% through systematic reviews and cross-referencing with source documents.
- Served as primary custodian for all physical and electronic data assets, ensuring strict information securing and compliance protocols.
- Designed and delivered Data Collection Tools, training modules on the MyHope system, enhancing team competency and standardizing data entry procedures.
- Conducted strategic field team visits to perform ground-level data verification, ensuring alignment between filed reports and system data.

Data Officer | Zakheni Training & Development Centre (Global Fund - AYP) | 01/07/2019 to 31/03/2022

Hired as a Data Capturer then quickly transitioned to the Data Officer role, performing procurement and M&E duties working with the organizations technical team, management and managing Data Capturers.

- Recruited, trained and managed a 23-member team to successfully clear a critical 3-year data backlog project, digitizing and securing over 360 000 AYP documents for NACOSA.
- Led a major organization expansion and relocation project, managing the end-to-end procurement of IT infrastructure (30 laptops, 6 desktops, 5 printers), security systems (12-camera CCTV) and 6 air-condition units.
- Directed the procurement and installation of equipment for the new head office in Gauteng and 2 branches (Limpopo and North West provinces), ensuring full operational readiness on schedule and within budget.

Acting Logistics Officer | JPS Africa (USAID - VMMC) | 01/02/2018 to 20/09/2018

Supported USAID's Voluntary Medical Male Circumcision (VMMC) program by ensuring seamless logistics for healthcare operations across multiple sites. Performed Logistical duties alongside Data Administrator duties.

- Managed logistics for a 30-vehicle fleet, coordinating licenses, maintenance, route optimization for 40+ sites across 3 provinces, reducing fuel and repair costs by 20%.
- Orchestrated procurement and inventory management of medical and non-medical supplies, ensuring USAID compliance and stock outs through demand forecasting and FIFO protocols.
- Facilitated travel logistics for 40+ staff, negotiated supplies and services with agencies to maintain cost-effectiveness and service quality.

RELEVANT BACKGROUND

- **Data Capturer:** Childline Tshwane (Global Fund AYP). 14/07/2025 to 22/10/2025
- **Mobile Van Operator:** Miet Africa (Global Fund AYP). 07/11/2022 to 18/03/2024
- **Data Clerk:** JPS Africa (VMMC-USAID). 01/10/2017 to 20/09/2018.
- **Data Capturer:** JPS Africa (MDR-TB Global fund). 01/07/2017 to 30/09/2017
- **Data Administrator:** CHAPS (USAID VMMC). 01/03/2015 to 30/06/2017
- **Promotions and Sales Agent:** Vetex Communications. 01/03/2014 to 28/02/2015.
- **Collection Agent:** TMT Services. 01/02/2013 to 28/02/2014
- **Graphic Designer:** Bumba Signs. 02/02/2011 to 31/01/2013
- **Data Capturer:** TMT Services. 02/02/2009 to 22/12/2009
- **Driver and Logistics Officer:** FMK Logistics. 01/02/2007 to 31/01/2009
- **Promoter:** Workforce (Standard Bank/MTN Mobile Money Accounts). 01/02/2005 to 22/12/2006.
- **Data Capturer:** Workforce (ABSA and Sekulula Accounts). 01/02/2003 to 31/01/2005.
- **Receptionist:** Kagisano Solutions. 01/05/2002 to 31/01/2003.

EDUCATION

- **Certificate: Fundamentals of Computing** | University of Limpopo (Medunsa Campus). 2009.
- **Certificate: PC Engineering** | SADESA College. 2002.
- **National Senior Certificate** | **Grade 12:** Tiyelelani Secondary School. 2001.

PROFESSIONAL CERTIFICATIONS & TRAINING

- **Full Stack Development Certificate** | FNB App Academy | 2025.
- **Monitoring and Evaluation Certificate** | AQuaH Training School | 2024.
- **Data Visualization with Power BI Certificate** | Great Learning | 2024.
- **Data Analysis Using Excel Certificate** | Great Learning | 2023
- **Database Management System Certificate** | Great Learning | 2023.
- **Procurement Management Certificate** | Great Learning | 2023.
- **Inventory Management Certificate** | Great Learning | 2023.
- **Assets Management Certificate** | Great Learning | 2023.
- **Logistics Management Certificate** | Great Learning | 2023.
